My dear Soldierier,

Thank you heartily
for sending the reference
to Hartmann for the
Titra article. I about
read Bukhari through
and couldn't find it!

Our best wishes
and good wishes to
you both in the New
Year. Faithfully yours,

D.B. Macdonald.

And very many thanks
for the p.c. with the
photo of yourself and Mr.
Soldierier. That is the
best remembrance that
one could have.
